MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC
ATTENTION : Chief, Security Branch
SUBJECT : Request for SI-T-K Clearances for NPIC Contractor

1. It is requested that SI-T-K clearances be granted to [redacted] an employee of [redacted] currently holds an Agency Top Secret clearance which was granted 15 July 1969.

2. [redacted] is a graphic artist who will be utilized heavily on NPIC's Imagery Interpretation Research Program at [redacted] Specifically, he will be employed beginning about 1 April 1970 on Task #13 of the current [redacted] contract, "Edge Identification Training". This task will produce mensuration training exercises for IEO/PHD and will require a large amount of graphics support such as photo annotation and package formatting.

3. Certain portions of the graphics support work required for this training package development will be accomplished by PSG/NPIC. However, it is deemed expedient by RED, in terms of both time and cost savings, for [redacted] to perform other portions of the task at its [redacted] facility. [redacted] fully cleared status will enable him to handle the SI-T-K materials involved.

4. It is requested that [redacted] be processed on a priority basis, since his input to the training development program must begin on approximately 1 April 1970.
